**UPPER SCHOOL CELL PHONE POLICY**

Students may have cell phones in any school building during the academic day **with the exception of Garland Theater**. Phones must be left in backpacks in the Theater lobby or elsewhere. Students may not have their phones out and in use during Upper School Grizzly Gatherings and assemblies in the theater. Teachers may ask students to place cell phones on desks or in storage containers during class. Students may use their phones between classes or during free periods in a manner that is respectful to those around them.
