Definitions

The following definitions apply to the Plan. This is only a summary, for a complete listing of definitions, please see the Policy on file with the school.

Accident means an unforeseeable event which causes Injury to one or more Plan Participants.

Home Country means the country where the Plan Participant has his or her true, fixed, and permanent home and principal establishment.

Physician means a person who is a qualified practitioner of medicine. As such, he or she must be acting within the scope of his/her license under the laws in the state in which he or she practices and providing only those medical services which are within the scope of his/her license or certificate. It does not include a Plan Participant, or a Plan Participant's Immediate Family.

Sickness means illness or disease which requires treatment by a Physician while covered by the Policy. All related conditions and recurrent symptoms of the same or a similar condition will be considered the same Sickness.

Plan is underwritten by: Crum & Forster SPC on and behalf of ITI SP, under the jurisdiction of the Cayman Islands, with its principal place of business at Suite 4210, 2nd Floor Canella Court, 48 Market St., Camana Bay, Grand Cayman KY1-1208, Cayman Islands.

By purchasing this insurance, you become a member of the Fairmont Specialty Trust

Benefits are provided for eligible Insured persons. The plan includes insurance and non-insurance benefits. This summary of coverage is a brief description of the important features of the insurance plan. It is not a contract of insurance. Complete provisions pertaining to this insurance are contained in the policy. In the event of any conflict between this summary of coverage and the policy, the policy will govern. The policy, which was issued by the insurance company to the Fairmont Specialty Trust, is renewable only at the option of the insurer. This plan is not designed to cover US residents and citizens. This policy is not subject to guaranteed issuance or renewal.

This insurance is not subject to and does not provide certain insurance benefits required by the United States' Patient Protection and Affordable Care Act ("PPACA"). PPACA requires certain US citizens or US residents to obtain PPACA compliant health insurance, or "minimum essential coverage." PPACA also requires certain employers to offer PPACA compliant insurance coverage to their employees. Tax penalties may be imposed on U.S. residents or citizens who do not maintain minimum essential coverage, and on certain employers who do not offer PPACA compliant insurance coverage to their employees. In some cases, certain individuals may be deemed to have minimum essential coverage under PPACA even if their insurance coverage does not provide all of the benefits required by PPACA. You should consult your attorney or tax professional to determine whether this policy meets any obligations you may have under PPACA.
