The Camp Directors

Rachel and Scott Herlein have been involved in the performing arts since they were elementary students themselves! They believe the arts instill in children those qualities that matter most: empathy, resilience, creative problem solving and personal confidence. They are excited to offer this rich experience to students in the lower grades. Enthusiasm, high expectations and a love for children are qualities that create a wonderful learning environment and truly terrific musical productions. They look forward to working with your child!

The timeless fairy tale becomes a new audience favorite in Disney's Cinderella KIDS, an adaptation of the treasured animated film geared toward young performers. Poor Cinderella is endlessly mistreated by her wicked stepmother and stepsisters and denied a chance to go to the royal ball. With a little help from her mice friends, and a lot of help from her Fairy Godmother, Cinderella's dreams come true. She goes to the ball, meets the Prince, and falls in love!
